Option 3D-Plus

Article-No. 00133002

- 3D Plus is an addition to the standard 3D-programm part.
- You can show staircases constructed with the CS staircase-software programs.
- You can turn, move and zoom the staircases in a virtual space.
- possibility to print out the pictures on a printer (coloured, with enough resolution).
- You can store the 3D pictures in BMP - or JPEG-format or put them directly into the formulars.
